

# Annual 2020 Revision Cycle

## Consent Document

### NFPA 1126

The Committee on Special Effects produced a First Draft Report for NFPA 1126, *Standard for the Use of Pyrotechnics Before a Proximate Audience*, and sought public comments. No public comments were received on this Standard. The Committee held a Second Draft Meeting on October 3-4, 2019, but did not create any Second Revisions. Therefore, the proposed NFPA Standard, as revised in the First Draft Report, shall be considered a consent document. According to 4.4.8.4 of the *Regulations Governing the Development of NFPA Standards*, NFPA 1126 will be forwarded directly to the Standards Council for action in accordance with Section 4.7.

**NOTE: *In accordance with 1.6.2(a) of the Regulations, there is a fifteen day appeal period following the publication date of this report in which one may file an appeal related to the issuance of any Consent Document listed in this report. The final date to file any such appeal is October 30, 2019.***

Anyone can appeal to the Standards Council concerning procedural or substantive matters related to the development, content, or issuance of any document of the Association or on matters within the purview of the authority of the Council, as established by the Bylaws and as determined by the Board of Directors. Such appeals must be in written form and filed with the Secretary of the Standards Council (*Regulations* at 1.6). Time constraints for filing an appeal must be in accordance with 1.6.2 of the *Regulations*. Objections are deemed to be resolved if not pursued at this level.
