

NATIONAL FIRE PROTECTION ASSOCIATION

The leading information and knowledge resource on fire, electrical and related hazards

For the NFPA 855 2029 Cycle First Draft, the following task groups have been established to address the following subjects prior to the public input closing date (June 3, 2026). Task group meetings are scheduled by the task group chair. If you are interested in attending task group meetings or participating as a task group member, please email Sarah Caldwell, *Senior Committee Administrator*, at scaldwell@nfpa.org.
